

NOTICE

Reporting Financial Institutions and Multinational Enterprises

The Director General of the Belize Tax Service Department (BTSD) wishes to inform you that BTSD is in the process of implementing a new system for the submissions for Common Reporting Standard (CRS) and Country by Country (CbCR). The new system is very user friendly and, you will be provided with training and guidance to ensure a smooth transition. In light of this development, the Director General has extended the deadline to April 30, 2025, and we kindly request that you **refrain from filing any CbCR and CRS reports for the 2024 reporting period until further notice**. However, we encourage all Financial Institutions to begin preparing their reporting files in anticipation of the new system's launch.

Further communication will be issued regarding system implementation timelines and training sessions for RFIs.

We appreciate your cooperation and patience as we work to enhance the AEOI reporting process.
